AT&T has an ampersand in their name.
AT&T is another way to write it.
This & that.
4 < 5.
6 > 5.
Here's a <u>link</u> with an ampersand in the URL.
Here's a link with an amersand in the link text: <u>AT&T</u> .
Here's an inline <u>link</u> .
Here's an inline <u>link</u> .
